

Solo Performance Specialties Open House

Solo Performance Specialties will be hosting an open house and Solo tech day, March 1st, beginning at 10AM.

The day will provide for an opportunity to visit their new retail showroom and see what new great products lines are now available. Solo tech personnel will be on site to perform annual tech certification for eligible cars for the 2025 season.

Let them know you are [coming](#) by contacting:

Brad Statler (816) 868-1626

It is our understanding that Brad is hosting a Dine Out following the Open House
